PROFILE

I am an experienced social media manager seeking a full-time position in the field of social media and marketing communications, where I can apply my knowledge and skills for continuous improvement.

TECHNICAL SKILLS

Languages: Python, C

Back-end: Django, React, Next.js

Front-end: HTML, CSS, Bootstrap, Javascript, NPM

Tools: Git, Github

PROJECTS

PORTFOLIO WEBSITE | 2020

[HTTPS://ISHANI.KATHURIA.NET/](https://ishani.kathuria.net/)

My portfolio website made with next.js displaying my caliber using html, css, javascript and react. This is one of the many websites I worked on. I also have websites made with django, wordpress and simple bootstrap.

PYTHON GAMES | 2020

[HTTPS://GITHUB.COM/IKATHURIA/PYTHONGAMES](https://github.com/ikathuria/pythongames)

A games application I made in python. It has 5 common games which can be played on a command line interface or on a graphical interface that I developed with PyQt.

VOICE ASSISTANT

[HTTPS://GITHUB.COM/IKATHURIA/RILEY](https://github.com/ikathuria/riley)

A voice assistant developed in python as my end semester project. It has a wide range of functionalities and a working GUI.
